

This text explains the **licensing procedure for the DFKI chart display tool**.

Find attached the license agreement (file dfki-chart-display-license-ger.pdf). You need to fill in the **name of the licensee**, his/her **affiliation** (if any) and his/her **complete postal address**. Please note that licenses without these details cannot be accepted.

Send two signed originals to

Dr. Stephan Busemann
DFKI GmbH
Stuhlsatzenhausweg 3
D-66123 Saarbrücken
Germany

You will receive one of these originals back, signed by DFKI.

To accelerate the procedure, you may fax a signed copy to
+49 681 5338, attn: Dr. Stephan Busemann

We will agree to the delivery of the software upon receipt of the fax. Note that you still must send the two signed originals, as described above.

There is an English translation of the license agreement for your convenience (file dfki-chart-display-license-eng.pdf). Don't fill in and sign the English version, since we need the German version.
